Will you honor the submitted prices for purchase by other entities in Taney County who participate in cooperative purchasing with Taney County, Missouri?		YES	YES	YES

Tuesday January 6, 2015: Three responses were received to the above listed Bid. All were opened in public reflecting the above information from the following three Vendors; Temperature Control and Specialty Air being from Springfield – D&B from Branson. Renee Brusca took possession of a copy of each response to complete a thorough review of all information packages. An agenda request to deliver an award recommendation to the Taney County Commission has been made, and approved, for Thursday January 8, 2015.

Thursday January 8, 2015: After a thorough review and listing responses within the above table we formally recommend D & B HVAC Systems, of: Branson, Mo., for award due to their response being lower than the other two received. We further recommend the Commission to include within any motion to award this “term & supply contract” using the timeframe listed in the RFB of; three (3) years starting on Monday February 9, 2015 running through February 8, 2018, which may be automatically renewed for up to two (2) one-year periods unless canceled in writing prior to a renewal period.

The Taney County Commission reviewed the information, made a motion to award as such, and it passed unanimously.

Thank you.

Ron Erickson,
 Director of Purchasing
 Taney County Missouri
