6	Compass Minerals Overland Park, Ks.	Road & Bridge Interim Administrator, Randy Haes, being responsible for this Bid / award recommendation, cannot comply with 4 of 6 "amendments" listed in a letter from this Vendor included with their Bid response. Said 4 amendments are not in the best interest of the county as well as being contrary to certain Bid requirements and specifications. Therefore their response has been determined as "Non-Responsive" and will not be considered.				
7	Morton Salt Chicago, Il.	Received a "No-Bid" letter.				

Wednesday June 10, 2015: The details as listed above are from seven (7) responses received for the above listed RFB, opened in the Commission Hearing Room – in public, by myself and Road & Bridge Interim Administrator, Randy Haes. Mr. Haes will now complete a thorough review of said information. An agenda request was made, and approved, to deliver a recommendation for award to the Taney County Commission on Monday June 15, 2015.

Monday June 15, 2015: Subsequent to a thorough review of the detailed pricing offered, within each Bid Package Response received, Mr. Haes recommended that our Rock Salt needs be awarded to Central Salt, LLC. as primary and Cargill, Inc. as secondary. He would also like to recommend Bingham Sand & Gravel as tertiary due to their low Bid but since they will not commit to a set delivery timeframe we cannot consider them as a dependable primary source.

Next he recommended that our Liquid Calcium needs be awarded to Scotwood Industries as primary and Sicalco Ltd. as secondary.

A motion was made to award both product needs as recommended and the Taney County Commission passed it unanimously.

Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
