

BID AWARD INFORMATION

BID DATE; Wednesday September 9, 2015

BID FOR; Trench Drain (Transfer Station)

BID NUMBER; **RFB# 201508-310**

Wednesday September 9, 2015: After opening all responses received for the above listed RFB, in the Commission Hearing Room – in public, a decision was made to allow a time for a thorough review of said information by Road & Bridge Interim Administrator Randy Haes. Thereafter an agenda request was made, and approved, to deliver a recommendation for award on Monday September 14, 2015.

Monday September 14, 2015: A thorough review of all of the below responses required a call for clarification by Mr. Haes as detailed in the table below. Subsequently the qualifying results indicate a recommendation for award to Scurlock Industries of Springfield, Mo. as the low Bidder meeting all required specifications within the RFB. As such Mr. Haes made his formal recommendation to the Taney County Commission for award to Scurlock Industries. After a few questions a motion was made to award as such and the Commission passed it unanimously.

RESPONSES RECEIVED (Company)	TOTAL BID AMOUNT	DELIVERY	NUMBER OF EXCEPTIONS
Scurlock Industries Springfield, Mo. 65803	\$10,752.00	4 Weeks	1 (Satisfactorily explained.)
Underground Concrete, LLC. Kirbyville, Mo. 65679	\$14,440.02	30 Days	-0-
Carter – Waters, LLC. Springfield, Mo. 65807	\$8,595.00	7-10 Days	6 (One exception, missing written explanation, required a call for clarification resulting in this Vendor response being disqualified due to them not providing a pre-cast trench drain box as required in specification #6.4. This, of course, was the main purpose, or goal, of this RFB.)

Thank you.
