

## BID TABULATION FORM

BID DATE; Wednesday September 16. 2015  
BID FOR; Mechanic Services (Term & Supply)  
BID NUMBER; **RFB# 201508-313**

RESPONSES RECEIVED FROM (Companies listed Alphabetically)
<b>Brown's Auto Care Plus, LLC. Taneyville, Missouri</b>
<b>Tri-Lakes Motors, Inc. Branson, Missouri</b>

The Taney County Commission met today in reference to the above listed RFB, to receive a recommendation. Subsequent to a thorough review of all responses from the above listed companies by Interim Road & Bridge Administrator Randy Haes, Mr. Haes recommended we award both Vendors, equally, based on the following factors.

1. Pricing responses from both Vendors qualified for consideration.
2. Taking into account how busy most repair services currently are it will serve the best needs of the county to have both Vendors designated so that if/when one is booked the other may be used as an alternate.
3. Geographically it will serve the best needs of the county to have both Vendors designated as they are located opposite from each other, one on the west side the other on the east side of the county.
4. Clarification was made to the Commission that this service will be available as a last resort when county mechanics are either too busy or when a certain repair need falls beyond county employee capabilities/expertise to repair.
5. All stipulations as agreed to by each Vendor's signed response will be included in any forthcoming agreement/contract.
6. These services are to be provided to Taney County in the form of "Term & Supply" on an "as needed" basis for the purpose as listed within the full Bid document covering costs that may exceed normal Bid limits. (In compliance with RSMo. #50.660)

The Taney County Commission made a motion to award as such and it passed unanimously.

Thank you.

Ron Erickson,  
Director of Purchasing  
Taney County Missouri
