

BID AWARD INFORMATION

BID DATE; Wednesday April 20, 2016
BID FOR; Asphalt Materials & Concrete
BID NUMBER; **RFB# 201603-335**

Wednesday April 20, 2016: After opening seven (7) responses received for the above listed RFB, in the Commission Hearing Room – in public, a decision was made to allow a time for a thorough review of said information by Road & Bridge Interim Administrator Randy Haes. Thereafter an agenda request was made, and approved, to deliver a recommendation for award on Monday April 25, 2016.

Monday April 25, 2016: Subsequent to a thorough review of the detailed pricing offered, within each Bid Package Response received, Mr. Haes recommended a multiple award process as detailed on the attachments to the Taney County Commission. A motion to award as such was made and it passed unanimously.

Given the complex nature of this RFB, and the extensive details within each response, as we asked for, the Road & Bridge Office Manager – Kathy Roberts has prepared a complete Bid Tabulation Spreadsheet which clearly reflects all of the required information. This was a lot of work expertly prepared by her. Please see it as attached here. The Taney County Commission used her spreadsheet as a vital tool to review all responses and thereby concur with the recommendation.

Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
April 25, 2016

Re: Taney County Road & Bridge Bid 201603-335

To: Taney County Commission

Dear Sirs,

I have reviewed the bids received from seven vendors on road oil, bituminous mix, and concrete. I am recommending primary, secondary, and tertiary by group 6.1 through 6.6.

On group 6.1 road oils Coastal Energy as primary, and Apac-Central as secondary.

On group 6.2 Coastal Energy as primary, no other bid received.

On group 6.3 Bituminous mix laid in place at various locations TRAC as primary, Apac-Central as secondary, and Leo Journegan Construction Co. as tertiary.

On group 6.4 Bituminous mix loaded on county trucks at bidders plant, TRAC as primary, Apac- Central as secondary, and Leo Journegan Construction as tertiary.

On group 6.5 Bituminous mix (Cold mix) delivered to county facilities, TRAC as primary, and Blevins Asphalt as secondary.

On group 6.6 Concrete furnished and delivered to various locations in Taney County. American R&C LLC.dba Tri-Lakes Redi-Mix as primary, Concrete Company of the Ozarks as secondary, and TRAC as tertiary.

Randy Haes
