Wednesday February 15, 2017: After opening bid responses for the purchase of three (3) pickup trucks for Road & Bridge, from all of the above dealerships today, Taney County Road & Bridge Interim Administrator Randy Haes and I documented each response as listed above. All responses will be thoroughly reviewed by Mr. Haes. An agenda request was made, and approved, to deliver a recommendation for award on Tuesday February 21, 2017 to the Taney County Commission.

Tuesday February 21, 2017: The Taney County Commission met today to hear a recommendation for award of this bid. After completing a thorough review of all responses Mr. Haes recommended Joe Machens Ford, Columbia, Mo. as the low bidder, specific to their response for 2017 year model pickup trucks, for award of this bid to purchase four (4) extended cab pickup trucks. The Commission then asked for clarification as to the exact meaning of the specification "extended cab", and make performance issues, at which point this bid award process was put on hold. Mr. Haes then made the necessary contacts resolving both items resulting in his decision to renew his above recommendation. An agenda request was made, and approved, to deliver a re-recommendation for award on Monday February 27, 2017 to the Taney County Commission.

Monday February 27, 2017: The Taney County Commission met today to hear said "re-recommendation" after which a motion was made as such and The Taney County Commission then voted unanimously to award to Joe Machens Ford of Columbia, Mo. for the purchase of all four (4) vehicles, as allowed by the bid specs.

Thank you.
