RESPONSES RECEIVED (Company)
Oakland Lubrication Company of; Nixa, Mo.
Schaeffer Manufacturing Company of; St. Louis, Mo.
Safety-Kleen Systems, Inc. of; Richardson, Texas

Wednesday April 19, 2017: After opening responses from all of the above listed companies today in the Commission Conference Room – in public, Road & Bridge Administrator Randy Haes took possession of the responses to complete a thorough review. An agenda request has been made, and approved, to deliver a formal recommendation to the Taney County Commission on Monday April 24, 2017.

Monday April 24, 2017: The Taney County Commission met today in reference to the above listed RFB. Given the complex nature of this RFB, and the extensive details as asked for within each response, we asked the Road & Bridge Office Manager Kathy Roberts to prepare a Bid Tabulation Spreadsheet which she did in amazing fashion. Please see it attached here. The Taney County Commission used her spreadsheet as a vital tool to review all responses.

As per the details as indicated on said spreadsheet, Road & Bridge Administrator Randy Haes recommended Oakland Lubrication Company of Nixa, Mo. as primary, Schaeffer Manufacturing Company of St. Louis, Mo. as secondary, and Safety-Kleen Systems, Inc. of Richardson, Tx. as tertiary. The Commission thereafter voted unanimously to award as such. Term for this award is 18 months.

Thank you.
