Monday August 27, 2018: Despite newspaper advertising and direct email bid invitations to multiple roofing Vendors we only received one bid response package. After opening that response package from the above listed company, today, initial details were noted and documented – as listed above - by Buildings & Grounds Supervisors Renee Brusca and Scott Terpening, as well as myself. This response package will be thoroughly reviewed by them. My review was able to quantify a complete response with all required signatures present as well as notarized certificates, W9, and proof of insurance.

An agenda request has been made, and approved, to deliver a formal recommendation for award to the Taney County Commission on Tuesday August 28, 2018.

Tuesday August 28, 2018: After a complete and thorough review, of the above response by staff members at Buildings and Grounds, said package was found to be fully qualified and include structured pricing consistent with, or below, insurance repair authorizations. Therefore we recommended Advantage Roofing of Walnut Grove, Missouri for this bid as the overall best choice for Taney County Missouri. The Taney County Commission then voted unanimously to award as recommended authorizing said repair work to begin as soon as an Agreement is signed. Said Agreement will expire upon satisfactory completion of all listed repair work.

Thank you.
