Wednesday April 24, 2019: After opening responses from all four (4) of the above listed companies today, total cost response details were noted and documented by Road & Bridge Highway Administrator Devin Huff, Assistant Highway Administrator Denzel Brown, and me. All of the complete response packages will be thoroughly reviewed by Taney County Road & Bridge Staff. Shortly afterward an agenda request was made, and approved, to deliver a formal recommendation for award to the Taney County Commission on Monday April 29, 2019.

Monday April 29, 2019: After a thorough review Mr. Huff made the following recommendations based on bid instruction #1.25, checked off and initialed at the page bottom (P.5) by all four (4) Vendors.

For Category 1 above, which is for "Loaded & Scaled = by Supplier", in an effort to make the best choices for the County, per bid instruction #1.25, Mr. Huff recommend awarding to Table Rock Asphalt Company as "A" Supplier. APAC as "B" Supplier, Journagan as "C" Supplier, and Buchanan as "D" Supplier - for the County Aggregate Rock needs within that category accordingly to follow the above bid pricing by each.

For Category 2 above, which is for "Loaded & Scaled = by County", Mr. Huff recommend the only Vendor who offered pricing responses for Category 2 – *Journagan*.

The Taney County Commission then made a motion vote to award as recommended which passed unanimously. A subsequent agreement will be issued for an initial period of 12 months with three (3) one (1) year renewal options contingent upon pricing at that time.

Thank you.

Ron Erickson,
 Director of Purchasing
 Taney County Missouri
