

TANEY COUNTY BID AWARD FORM

BID DATE; Wednesday August 14, 2019
BID FOR; Electrical Work (Term & Supply)
BID NUMBER; RFB# 201907-432

The purpose of this "Term & Supply" solicitation is to procure an Electrical Professional on contract to furnish all labor, materials, tools, equipment, transportation, services, and supervision to perform ongoing, as needed *Electrical Work, Maintenance, and Repair* for all Taney County properties. This contract is also for *Modifications, Remodels, New Facilities (when / if needed)*, and unexpected needs.

Wednesday August 14, 2019: Despite direct bid invitations to several Electrical Work Vendors, as well as posting this solicitation on the Taney County website, we only received one response. We were surprised by this as we had received Vendor inquiries about this bid before, and during, the time it was open for responses. Today the response received was opened in the Commission Hearing Room – in public, by Building & Grounds Administrator Renee Brusca and me. A thorough review will be completed of the entire response package received. Thereafter an agenda request was made, and approved, to deliver a recommendation for award on Monday August 19, 2019. Bid response cost details, as received from Castro Electric for 2019, are listed below exactly as asked for within our solicitation.

DESCRIPTION	Bid Pricing Response: CASTRO ELECTRIC
Material (Total Cost plus %) \$0-\$2500	15%
Material (Total Cost plus %) \$2500-\$4,499	15%
Material (Total Cost plus %) \$4,500 and up	13%
Rental Equipment (Cost plus %)	10%
Electrical Work Services (Straight Time)	\$50.00/per hour
Rate per hour for each additional worker (Straight Time)	\$50.00/per hour
Electrical Work Services (Nights and Weekends)	\$75.00/per hour
Rate per hour for each additional worker (Nights and Weekends)	\$75.00/per hour
Electrical Work Services (Holidays)	\$100.00/per hour
Rate per hour for each additional worker (Holidays)	\$100.00/per hour

Monday August 19, 2019: After a complete and thorough review of the detailed pricing offered, as well as all additional required documents establishing this Vendor as a fully qualified "Term & Supply" provider, we submit the following. Their 2019 pricing response here is, in our opinion, reasonably more than their 2015 bid since obviously that was 4 years ago. More importantly this pricing response remains lower, in every category, than the only other response we received in 2015 from another Electrical Work Vendor. Therefore, we recommended for award; Castro Electric of Branson, Missouri to the Taney County Commission. After a brief discussion a motion was made to award as recommended, and the Taney County Commission voted unanimously to do so.

Included in our recommendation is a subsequent Agreement for an initial period of 12 months. This agreement will then auto-renew annually contingent on both parties being fully satisfied with all stipulations, and costs as agreed to, offered by the Awarded Contractor's bid response. A complete review, by the Taney County Buildings and Grounds Administrator, will occur at each 12 month interval to the date said Agreement is fully executed ensuring complete ongoing satisfaction on the part of County.

Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
