➤ EMERGENCY EVENT PROCUREMENT

Taney County Emergency Procurement Policy (PER RSMo. # 50.780.2): Notwithstanding any other provisions of this Policy the Taney County Commission may waive the requirement of competitive bids or proposals for supplies when the County Commission has determined that there exists a threat to life, property, public health, or public safety or when immediate expenditure is necessary for repairs to County property in order to protect against further loss of, or damage to, County property, to prevent or minimize serious disruption in County services or to ensure the integrity of County records. Emergency procurements shall be made with as much competition as is practicable under the circumstances. After an emergency procurement is made by the County Commission, the nature of the emergency and the vote approving the procurement shall be noted in the minutes of the next regularly scheduled meeting. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. As soon as practicable, a record of each emergency procurement shall be made including the contractor's name, amount and type of the contract, a listing of the item(s) procured under the contract. The County Purchasing Agent will assign a specific Emergency Event Procurement number ("EEP") for each event to cover all emergency purchases made within the necessary recovery timeframe as set by the Taney County Commission.

The following is a list of questions that must be answered when making emergency procurement requests. This is a formal document for submission to the Commission for the requesting department.

1. **Please describe the reason for the request of emergency procurement with respect to the threat to public health, welfare, or safety:** The Taney County Road & Bridge Department ceased operations of the Transfer Station in order to repair the floor. Product obtained did not complete the repair. Additional product is required to finish the project which exceeds the \$12,000 threshold.
2. **Describe anticipated consequences of not procuring immediately:**
Re-opening of the Transfer Station cannot happen due to the safety of employees and the public until the project is completed.
3. **Describe and attach any quotes received:** The attached quote was received on April 26, 2023.
4. **Is this a one-time purchase?** **Yes** or **No.** If not, detail the anticipated future purchases with anticipated acquisition dates.

Thank you.
