

County of **TANEY** *State of Missouri*
Susan C. Chapman
ASSESSOR

Welcome to Taney County,

The following is what I hope will be helpful information for New & Existing residents of Taney County.

The Taney County assessor's office can be reached at ASSESSOR@TANEYCOUNTYMO.GOV.
Our website: <https://www.taneycounty.org/Assessor>

For Real Estate:

Email: REALESTATE@TANEYCOUNTYMO.GOV & NIGHTLYRENTALS@TANEYCOUNTYMO.GOV
Phone: (417) 546-7241

On the website you can link to **GIS Mapping & PRC** for information on parcels, **a copy of your property record card (PRC)** showing features and measurements that you can use to verify that the Assessor has the correct information. If you find a discrepancy, for example wrong measurement, missing structures, or too many structures, contact the Assessor (ASSESSOR@TANEYCOUNTYMO.GOV). We will make every effort to rectify the situation in a timely manner. Note: Our tax system for residences includes one bathroom, so if you notice we have you down for 3 baths, and you actually have 4, it is already accounted for. (Commercial bathrooms are actual count.) The site will also show maps of your parcel, and identify all others. There is a Pictometry tab that shows you a 365-degree view of your structures, and a comp search tab. If you have a condominium building/buildings and know the address, there is a feature to print mailing labels.

Personal Property: Missouri has personal property and **you must register within 30 days** of moving to Taney County.

If you need to obtain MO license plates, you will need your paid property tax statements for the past 2 years. If you just moved here, you will need a waiver. We now have the option for you to fill out a **waiver form online at our website**.

If you purchase a new vehicle in Missouri, you are charged sales tax on that vehicle at the Department of Motor Vehicles on the day you get the license plates.

Each year in January you are sent a personal property assessment list which must be filled out and returned. If you do not receive a list contact our office.

Businesses must also fill out business personal property assessment lists. This would also include nightly rental businesses if MO state sales taxes are collected by you or a third party.

We have an online feature for filling out Property taxes. We are asking that you sign up for email delivery of your list, but you can opt out anytime, for US mail. We are hoping to be able to inform you in the future when we are in your neighborhood assessing structures.
