Dear Lela:

We are writing in support of the application from Dignity Now for Low Income Tax Credits for the construction of Forty-Eight (48) one and two bedroom affordable apartments located next to their offices at 200 Saints Street, Branson, MO. This agency and its cooperative partners have proven to be successful in targeting and meeting the needs of the families of children with disabilities within the community and county.

Dignity Now and their parent organization, Developmental Connection have gained a great deal of experience and demonstrated success through their completion of three similar apartment projects.

We value our relationship with the applicants and deeply appreciate the opportunities they provide some our most vulnerable residents. The efforts by Developmental Connections to provide meaningful job opportunities for its clients is a proverbial win-win for the community and Taney County as a whole.

We support this application and encourage the Missouri Housing Development Commission's favorable consideration.

Sincerely,

Nick Plummer, Taney County Presiding Commissioner

Sheila Wyatt, Taney County Eastern Commissioner

Brandon Williams, Western Taney County Commissioner
