**Taney County Commission**

Dear Taney County Commission,

I am writing to request approval for the Taney County Treasurer to authorize monthly payments to the County Employee Retirement Fund (CERF) by the 20<sup>th</sup> of each month in the year 2026. These payments will be made online, once the necessary revenues have been received by the County Collector and County Recorder.

This arrangement is being proposed due to the time-sensitive nature of these payments. It is essential that the CERF payments be made promptly to avoid any late fees or penalties, and the Treasurer's approval for each month will ensure that the payments are processed in a timely manner, without waiting for the traditional accounts payable procedures.

These payments will be initiated once the funds are available. These funds are received once a month from the County Collector and County Recorder.

Ensuring the timely fulfillment of our obligations to CERF. I respectfully request your approval to authorize the Treasurer to approve and execute these monthly payments on behalf of the county.

Thank you for your attention to this matter. Should you have any questions or need further clarification, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Melanie Smith".
