The following is a list of questions to be answered when making sole source requests. This is a formal document for submission to the County Commission. If a question is not applicable, please indicate N/A. Use layman's terms and avoid jargon and the use of acronyms.

1. Please check all that apply as the reason(s) for this sole request:
  - ☒ Only Known Source-Similar service not available from another vendor.
  - ☐ Equipment or service must be compatible with existing Equipment.
  - ☐ Immediate purchase necessary to correct situation threatening life/property.
  - ☐ Lease Purchase - Exercise purchase option on lease.
  - ☐ Medical device or supply specified by physician.
  - ☐ Used Equipment - Within price set by one/two appraisal(s) by disinterested parties.
  - ☐ Other. (Explain.)
2. Describe the unique features/compatibility of the service that precludes competitive bidding.

Information Technologies Inc. dba Omnigo Software LLC offers the current software provider adhering to all necessary legal requirements. Surrounding Law Enforcement Agencies, Fire Districts, along with neighboring municipalities utilize record sharing through this particular software. This provides a very unified and safety conscious front with high levels of compatibility and consistency within our community.

3. What research has been done to verify this vendor as the only known source?

**This Vendor is the only source that offers current compatibility and record sharing, which adheres to all necessary legal requirements.**

4. Does this vendor have any distributors or dealers that sell their service to others?

☐ Yes (please attach a list of known sources).

☒ No

5. Must this service be compatible with present inventory/equipment, or in compliance with the manufacturer's warranty or existing service agreement? If yes, please explain.

**Yes, currently utilizing software from this vendor allowing smooth and efficient sharing capabilities.**

6. Once this declaration is approved, what additional upgrades, additions, or supplies is anticipated or projected over the useful life of this product?

**Purchase of additional and ongoing upgrades to ensure open lines of information shared between all agencies. Additional costs will be incurred should additional users, positions or devices be requested.**

7. If this is an upgrade/add-on/supply/repair/etc. to existing equipment, how was the original equipment purchased (sole source or competitive bid)?

**Current software was obtained through a competitive bid process. This vendor is the only viable source for the current software in use by the Sheriff's Office.**

8. What additional, related, sole source purchases have occurred since the initial purchase?

**Ongoing – as needed.**

9. How has this service been purchased in the past? (Sealed Bid, Sole Source, RFP, other) Please provide document numbers.

**They were purchased through an agreement/RFP.**

10. What are the consequences of not securing this specific service?

**Law Enforcement Software are, and have been, critically important to the Sheriff's Office. It allows Officers and other personnel to be more efficient and safety conscious for Taney County, allowing open communication with other municipalities and agencies. It is used to protect suspects, the general public, and the Officers. In order to remain diligent in the safety of all, this specific software program MUST continue.**

11. Additional reasons supporting the continuation of this service.

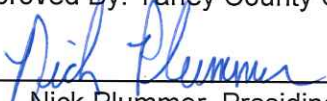

**This will be a five (5) year agreement and is being utilized for records management, report writing, CAD, jail management, asset management, inventory, and communications.**

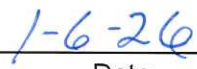

12. How long is sole source approval necessary for this type of purchase? Is this a one-time purchase or is there an identified time period needed?

**Sole Source purchase is needed for a period of five (5) years, at which time the software will be reassessed and the best decision will be made for Taney County.**

NOTE: If no possible viable competition has been established resulting from all efforts made during this request process which fully meets, or exceeds, all requirements as set forth within this document, we ask for a motion to be made by the Taney County Commission to finalize this request. Thereafter a signature below designating, and authorizing, Information Technologies Inc. dba Omnigo Software LLC. as the "Single Feasible Sole Source" available to provide / continue said products / services, to Taney County Missouri, as is listed throughout this document and within any final Agreement version to follow at a later date.
